CITF Introduction – Prefabricated Steel Rebar Application

Raymond Leung, Assistant Manager, CITF
August 2020

Background

- The CITF with an approved allocation of HK\$1 billion, is established by the Government of Hong Kong Special Administrative Region
- The CITF encourages technology adoption in automation, industrialization and digitization
- The CITF aims to provide the impetus to transform the local construction industry and uplift built quality of HK construction industry
- CIC is the implementation partner of the CITF

Aims

Boost Productivity

- Achieve project time savings
- Enhance cost effectiveness
- Promote labour productivity
- Enhance buildability and minimise unworkable designs

Uplift Built Quality

- Reduce unnecessary rework and defects
- Improve design and construction quality by minimising on-site changes

Improve Site Safety

- Enhance workplace safety and health for workers
- Reduce safety risks to workers in construction operations through design management or provision of safety equipment

Enhance Environmental Performance

- Reduce material wastage and / or pollutants during construction
- Abate environmental nuisance to surroundings during construction

Categories of Funding

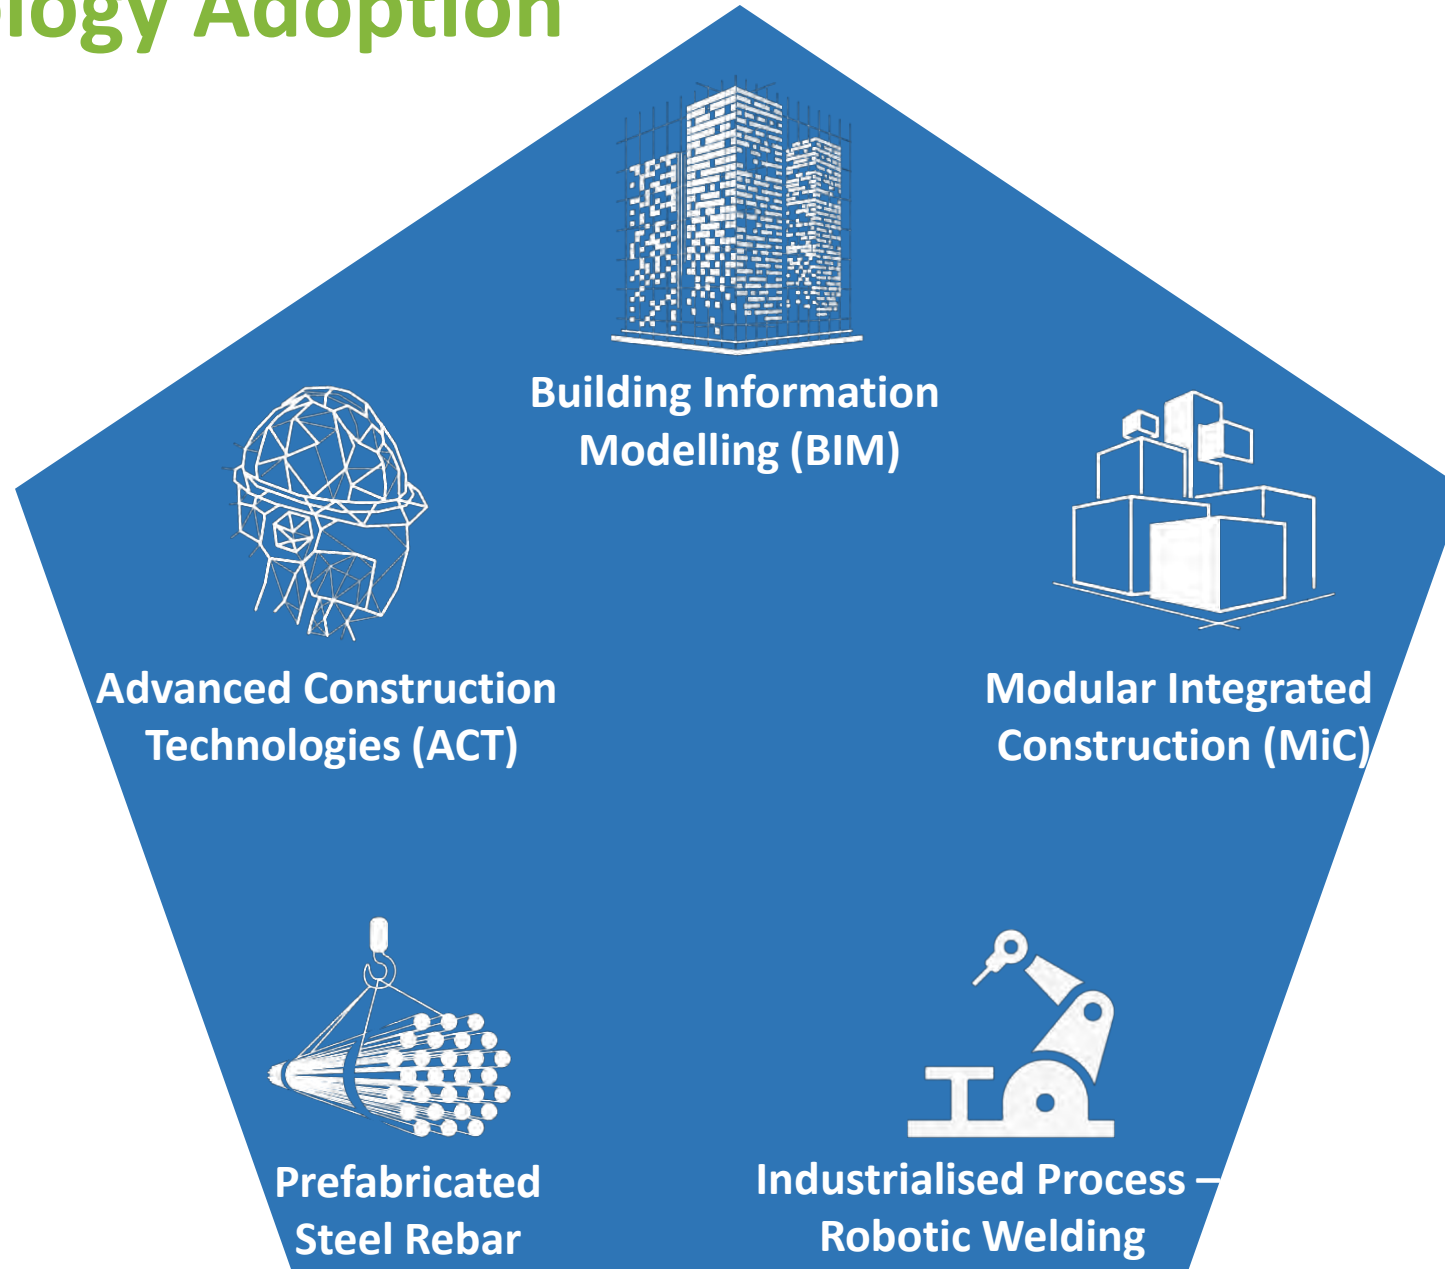

Technology Adoption

Manpower Development

Technology Adoption

Technology Adoption - Eligibility

Construction Levy-paying Contractors

Contractors who have paid construction industry levy to the CIC in the past 24 months

Registered Specialist Trade Contractors (RSTCS) and Registered Subcontractors

Specialist trade contractors and subcontractors registered under the RSTCS operated by the CIC

Consultants

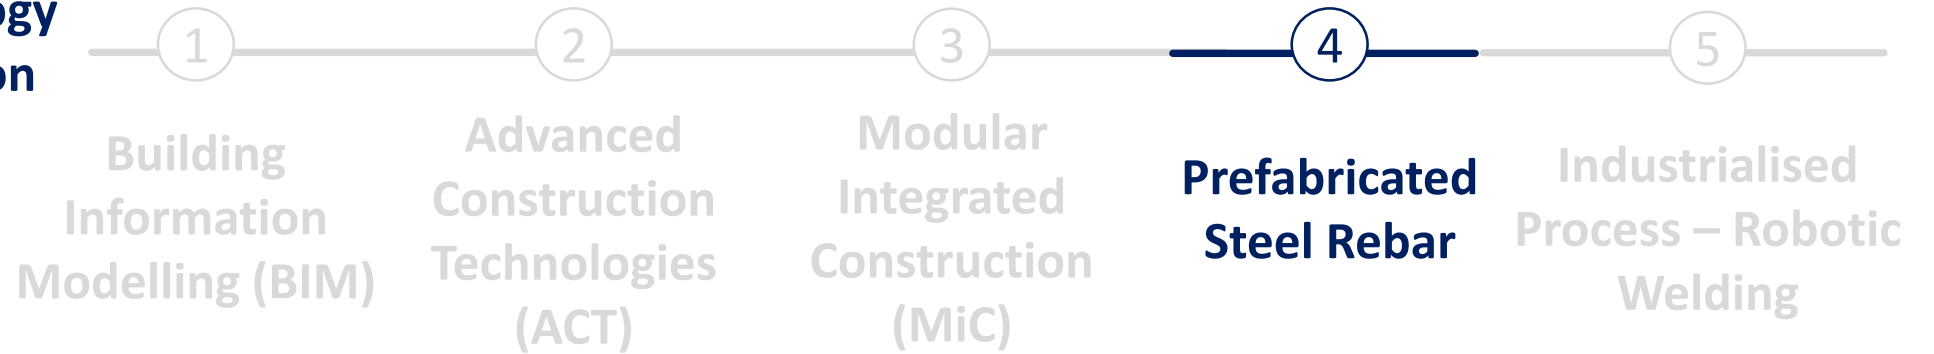

Consultants on the lists maintained by Government and professional bodies

Remarks:

For related enterprises, i.e. enterprises with different business registration certificates but having the **same individual(s) holding 30% or more ownership**, they would be **treated as one single enterprise** in counting the funding ceiling per company

(A) **Technology Adoption**

	Project Adoption
Funding Mode	Cash rebate HK\$200/tonne
Funding Ceiling	HK\$3,000,000 per application per project

Application

Required Documents for Application

1. Business Registration (BR) Certificate
2. Latest Annual Return (NAR1)
3. One Bank Statement issued in the last 3 months

(showing the account holder's name and account number)

Application Procedures

Create an account at CITF Application Portal via CITF website
www.citf.cic.hk

Read the User Guide and prepare all required documents

Complete and Submit Online Application Form in CITF Application Portal

Vet Application by the CIC

Notify application result
(within 60 Calendar Days)

Report submission and fund disbursement according to CITF requirements

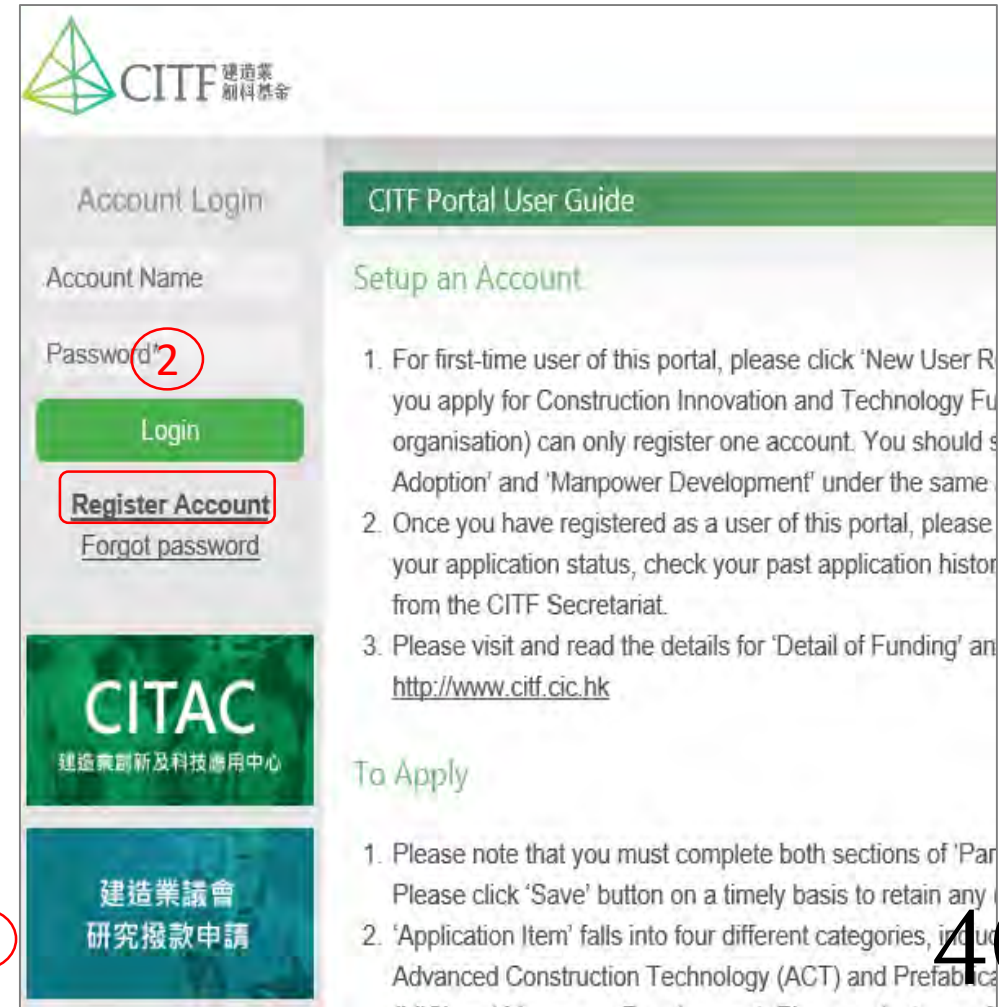

How to create an account at CITF Application Portal

Log in at CITF website www.citf.cic.hk

Each applicant can register one account only

How to apply

Fill in the blanks to create an account

New User Registration

 Account Name*

Hint: Must be at least 6 characters long, cannot contain space or special characters

 Email *

 Contact Name*

 Contact Phone*

 Password*

Hint: Must be at least 8 characters long, cannot contain space

 Confirm Password*

A red circle with the number 3 is placed over the Contact Name field.
